On-Time Flush Door Shipping Guarantee

We know how important it is for your architectural flush wood doors to be shipped on time. When your order is released for production, and your acknowledgement has a ship date, Eggers will guarantee* complete shipment by that date. If we miss it by even a day, we will refund you 10% of the value of the standard flush doors** shipped late.

Eggers will not be responsible for any delays in delivery which result from any circumstances beyond its control, including without limitation, carrier delays, delays due to fire, severe weather conditions, failure of power, labor problems, acts of war, terrorism, generation insurrection, acts of God or acts of any government or agency. Eggers retains the right to modify or terminate this guarantee.
