

# CUSTOM VENEERED SOLUTIONS FOR THE ELEVATOR INDUSTRY

**Eggers Industries**

The time you spend in an elevator can be a moment in heaven or an eternity.

Let Eggers' panels, veneer wrapped metal, and other veneered products  
leave your customer feeling truly lifted.

Turning nature's beauty into works of art

### A Single Source Provider

Eggers products are tailored to meet your needs. Our product capabilities extend far beyond your elevator, creating a look that is as cohesive as it is elegant. Select Eggers products solely for your cab, or impress your customer by choosing a provider who can supply wood products for the entire project.

### Product Offerings

Our quality products include, but are not limited to:

- Architectural paneling
- Veneer wrapped metal
- Crown Moulding
- Applied Moulding
- Wood Handrails

### Green Capabilities

Eggers Industries offers a variety of products that allow you to meet environmental standards without sacrificing the function and safety of fire rated materials. Eggers products can contribute towards up to 3 LEED credits while maintaining a UL A label. Please contact an Eggers representative for more information.

### Unrivaled Service

At Eggers Industries you will be assigned an account manager who specializes in the elevator industry. Your account manager is dedicated to seeing your vision through and is able to answer any questions or concerns you might have. With 125 years in the veneered products industry, let Eggers Industries' experience and tradition of quality guide your project from start to finish.

### Stile & Rail Doors, Door Frames, Plywood, Veneered Components
