

VINYL-CLAD *Paneling*

Eggers' Vinyl-Clad Paneling is manufactured with InPro's IPC Rigid Vinyl Sheet™ face material which offers reliable face protection that is durable and easy to clean. Vinyl-Clad Panels are built to withstand the most demanding environments, including healthcare, education, hospitality and other high-traffic facilities.

Designed for Durability

As pleasing to the eye as it is durable, Eggers' Vinyl-Clad Paneling protects walls against damage while keeping maintenance costs down. Color-coordinate your entire project by pairing Vinyl-Clad Paneling with Eggers' eiDoor™.
