

# Special Finish Plastic Laminates

## Information Bulletin 335

Eggers Industries

Date: July, 2011

As shown in the charts below, Eggers Industries will manufacture doors with:

- Standard Grade plastic laminate including the high gloss finishes listed below. This option is available on both non-rated and labeled fire doors (20 thru 90 minute). High gloss plastic laminates in the available column require special pricing to cover peel-coat, special cross-banding and manufacturing procedures.
- Horizontal Post-Forming Grade plastic laminate in standard finish only. This option is available on non-rated and labeled fire doors (20 thru 90 minute).
