

We are changing our default finish for lumber components used on our eiDoors® having wood grained vinyl faces. This will include the lumber used for radius edges, wood beads and louvers. Our standard for these doors will be “stained to match”. There are currently several different “Woodland” options. Please refer to the table below to select the lumber specie we will be using with each of these face options.

<b>Woodland Face</b>	<b>Lumber Components</b>
Natural Maple 0531	White Maple
Applewood 0537	White Maple
Boston Cherry 0534	White Maple
Honey Nut 0535	White Maple
Hazelwood 0536	White Maple
Santa Rosa Oak 0532	Red Oak
Chatsworth Oak 0533	Red Oak
